COVID 19 UPDATE

CLT Freight Carrier continues to follow all CDC guidelines as we remain committed to our normal operating schedule and remain focused on providing the highest level of service during these challenging times. Our employees continue to go above and beyond to make sure you receive the premium service you expect. We appreciate your continued support!

Effective May 26th, 2020, CLT Air Freight Carrier will be implementing a health / wellness surcharge of \$3.00 per shipment. This surcharge will help to off-set the additional costs we have been absorbing due to the COVID 19 pandemic.

Thanks for your consideration.
