Dear Valued Partners,

Given the recent demands continuing to rise from the COVID pandemic, across the board we have all experienced a significant increase in operating and labor costs. As a labor-intensive operation, we must adjust rates to maintain the level of excellent service we provide and our customers have come to rely on. Terminal Transfer will be increasing our Window Fee to \$55.00 per House Bill effective July 12th, 2021. Thank you for your cooperation and understanding. We are happy to answer any questions you may have.

Sincerely,

Rochelle Montes

Chief Import Operation Officer
